

Hi,

You must look at http://www.btfamily.bt.com/?s_cid=con_FURL_outtakes then vote for my Isetta, Poppy , Bubble Car!!! Here is Poppy, if only for a few seconds, on TV!!!!!!!

Very short and very sweet. It took over 8 hours to film that one commercial!!! It was done about 3 weeks ago in a warehouse by London Heathrow. I can now put on Poppy at any show I go to " AS SEEN ON TV"!!!!!!!!!!

Don't forget to vote!! I need every vote I can get!!

Peter

ps I also saw the bridal room being 'made'!!! And ate my lunch with the bridal room assistant!!
