After months of repairing all the bodge's (some Lethal) pulled by the very iffy dealer near Eastbourne, Patrick now has his car on the road and is enjoying it. Patrick is a good casing point of buying a car without having it checked by someone who has knowledge of the cars, his car was a deathtrap with a very dubious MOT, but with the help of Sopley & Forest Garage(Hampshire) and us he now has a good reliable car
